

Dear Mr. Lawrence,

I hope you are doing well. I would like to thank you for your generosity in awarding me with the Moses Sheppard scholarship award.

I will be using this award towards my post-secondary schooling. In the fall I will be attending Lakehead University for collaborative Nursing.

This award will go towards my textbooks, supplies & tuition.

Thank you from the bottom of my heart for this award. It will be put to good use. I wish you luck in your future endeavors
sincerely,

Sera Plummer
