

Hamilton Chapter

October's Professional Development Meeting (Tour)

PDM Date: October 23, 2014

PDM Topic: Navistar Tour (at 571 Glover Road, Hannon, ON)

Please join us at our October PDM for a tour at the new Navistar Parts Distribution Centre (PDC). Our last tour to Navistar was at their old Burlington facility ... but they have since moved and now would love to showcase their new massive distribution centre located in Hamilton.

PDM Summary: Navistar is a leading manufacturer of commercial trucks, buses, defense vehicles and engines. Wherever ingenuity drives global markets, you'll find them taking the lead. For over 175 years, Navistar has kept the world moving from our global headquarters in the United States. Today, they provide innovative solutions for customers around the world with facilities on six continents.

This multimillion dollar 250,000-square-foot facility, completed earlier this year, will serve as Navistar's parts distribution centre for eastern Canada, handling parts for its International and IC Bus vehicles, MaxxForce diesel engines, and all makes of commercial trucks

Best yet – the massive new Navistar PDC on Glover Road will keep up to 60 jobs in the Hamilton-Burlington area that could have been lost to Mississauga.

Location: Navistar Hamilton PDC (571 Glover Road, Hannon)
****Plan to arrive between 6:45PM and 6:55PM -- tour begins at 7:00PM**

Don't miss this exciting tour!
