

## 2020 Covid Rules

1. We understand that not everybody wants to wear a mask. We're all sick of wearing masks. We ask that while you're in the parking lot and in the sales areas that you respect others health and opinions and wear a mask, a neck gator or a scarf. While you are out in the field, please use your best judgment. Hopefully it will be chilly every day and you won't have a choice!
2. We will be wiping down each saw after is returned and will set up a return box to collect them.
3. We will still be offering complimentary hot chocolate but in order to ensure that there is less cross-contact, someone on the staff will be pouring it for everyone. Unfortunately, we are not offering hot cider this year since we prepare it ourselves and want to make sure everyone stays as healthy as possible.
4. We ask that if you stay for a beverage that you be mindful of social distancing.
5. We also ask that you don't tailgate this year. We don't want to shoo you away but this is an odd year on every account and want your experience at the farm to be fun and memorable and most importantly, HEALTHY!
6. This year, more than most, we encourage you to bring bungees, ratchet straps or your own rope. We would prefer to avoid getting too close in assisting tying trees on cars.
7. We have also added the option to use a credit or debit card to pay for your trees and other items. Paying by card is \$60.00, whereas cash purchases are \$55.00.
