

HGA IS HOSTING ITS FIRST XC MEET

SUNDAY OCTOBER 1ST!

We are so proud of how much our team has grown in the past two seasons, and we could not have done it without the support of our amazing XC families. Now is the time to show the Berks County CYO community how great our HGA XC family truly is.

How can I help? In order to run a successful meet, we need a lot of volunteers. We are asking that on meet day, October 1st, each family provide at least 1 volunteer for the length of the meet and one donation for our concession stand. No running involved, we promise!

Please sign below acknowledging your willingness to help make our meet as successful as our team.
