Prior Months Meeting Minutes:

The Club's April meeting minutes were read by Bruce.

Old Business:

Remember to signed up / renew with AMA before you fly. Brush up on your skills with a simulator this spring! With the current balance on the Lawnmower loan at \$1,541 that is due by February 2018, there was discussion on the possibility to just go ahead and pay the remainder of the debt before February dead line.

One suggestion was to wait until the fall months (November) after the major fun fly expenses. More discussion on the topic will be brought up in the next meetings. The dirt supply was discussed as there is a need to replenish what was used over the past few months. The members present approved the purchase of another load of dirt for the estimate cost of \$200. There have been a number of reports that the field gate has been left unlocked. Remember it's your responsibility to lock the gate if you are the last one out of the club field. Don't assume that the other people present are club members, ask them! Please protect our treasure so we prevent vandalism or unsupervised flying.

New Business:

We now have two additional Field Maintenance crew members, Tony Ayer and Jay Swigart. Thank you for your time and dedication!

Reminder of this month's fun fly is this Saturday July 15th. Let's have a great turn out!

There was a recommendation that the old John Deer lawnmower be disposed of either through a sale or auction. If the club moves in this direction there will be an effort made to get the moer in operational order. More discussion will be covered at the next meeting.

Jerry noted that we needed to put in another order for club hats. He will get with John Vetter to place the order.

Meeting was adjourned at 7:36 p.m.

NOTE: Please allow right of way when pilots announce TAKING OFF and LANDING.

Reminder - AMA Cards must be displayed on one's persons while flying at the field, with the club sticker. There are card sleeves in the Club house in the file cabinet second drawer for members to use to pin or clip on. This helps verify AMA insurance and club membership. Thanks you for your compliance.
