TVR Invitation To My Dream Genie is a beautiful, young show prospect with **Gorgeous Dilute Red** and **Grey Undertones** of silky fiber. Her **Large Bone** along with her stylish **Conformationally Correct Frame**, show presence and superb, **Sweet Disposition** say it all about this girl. She is the barn clown and always there for attention or what she thinks is a helping hand. She comes from **Fabulous Bloodlines** with her sire being “Sapaveco’s Invitation Only”, aka Vinny. Vinny’s pedigree is packed with genetics including **Champagner, Bellisimo RTC, El Fuente** and **Argentine Fresco**. He had a great show career and is now producing some of our top show prospects. Her Dam, “TVR Dreamsicle”, comes from another set of outstanding bloodlines that include **GNLC Infiniti, GNLC Dom, Manigual De Temuco, Llanero De Temuco, Argentine Don Zunca** and **Pocas Pecas**. Dreamsicle was no stranger to the show ring herself being at the top of the winner’s circle. GNLC Infiniti is **One of the Last GNLC Dom Sons** and still actively breeding. Pay close attention to this super show girl with her **Style, Willingness to Please** and **Argentine Bloodlines** in both parents. She has a bright future in the **show ring** and then on to your **Breeding Program**.
