

Fairfield Regional Fire School

Open Enrollment

FLASHOVER TRAINING

Sunday, March 31, 2019

8:00 a.m. - 4:00 p.m.

OBJECTIVES

- To provide fire fighters a controlled environment in which to study the unique phenomenon of flashovers.
- To train fire fighters to recognize some of the signs and conditions leading up to a flashover.
- To help fire fighters better understand the limitations of their Personal Protective Equipment in a flashover.
- To provide fire fighters with skills and techniques to help them avoid possible injury or death from a flashover.

WHAT TO EXPECT

A three-hour classroom lesson will be presented followed by a lunch break.

After lunch participants will spend three hours in the Flashover Simulator for the practical component. The hands-on evolutions will include:

Walk through

Break into two groups of eight

Group I prepare for entry

Group II assist Group I

Final PPE Check at Entry Door

Outside Group Observe Conditions

Short Post-Burn Debriefing with Group I

Reload for Group II

Group II prepare for Entry

Final PPE Check at Entry Door
