

Sweet Swingin' Bob Molter is ready for the incoming pitch.

OCTOBER 2024

Opening Day is Just Around the Corner  
By Larry Wolfe

Our “informal” Summer League wrapped up a couple weeks ago, so now it’s about time for league play to start. Eight teams, four in each of the Lakes & Sun Divisions, will open their seasons on October 29<sup>th</sup>. Detailed information regarding signing up for the fall session will be on our website, [www.sunlakessoftball.com](http://www.sunlakessoftball.com). It is imperative that everyone interested in playing sign up and pay their league dues prior to the deadline. Team rosters and schedules will also be available on the website. League play includes two doubleheaders every Tuesday, Thursday and Friday during our Fall, Winter and Spring Seasons. In addition to league play, we have a recreational program on Mondays, Wednesdays and Saturdays that includes batting and fielding practice and sometimes pick-up games. We also have a ladies’ team, the Sun Lakes Sluggers, that plays in the Valley of the Sun League

against other teams throughout the southeast valley. They'll begin practices in November. See the Ladies Team Page on the website for additional information.

We welcome a new team sponsor this year, First Response Roofing. Returning team sponsors are A-1 Golf Carts, Camp Hilby, Core Consulting Services, Redeemed Team Realtors, Spooner Physical Therapy, Young Home Team Realtors and Wolfe & Associate Accounting Services. There are links to the websites of all our team sponsors and banner advertisers on the Sponsors Page of our website. Be sure to support these companies that support the Sun Lakes community!

After a three-month summer hiatus, our player profile articles will return next month. For those who may have lost track, that will be profile number 172! All the previous articles are available on the Press Clippings Page of our website.

As the softball glove said to the softball, "Catch you later!"
