

PHOTOGRAPHING WILDLIFE

Tips to Photograph and Edit Like the Pros

May 20, 2019 • Rochester Camera Club • Donna Brok

Donna Brok will present Photographing Wildlife - Tips to Photograph and Edit Like the Pros. You will learn things very useful to improving photography and editing skills. A very helpful pdf on shooting wildlife will be sent out after the presentation.

This is a two part presentation with the editing portion happening next Camera Club season. The tips presented here help by giving you 10 things to look for when shooting and editing. Think of taking your photo as a process, from

beginning to end. And ask yourself many questions before clicking the shutter. The pdf will provide you with these important questions.

Hope to see you in May.
