Subject: RE: Maryland MGM Bill Proposal

Hi Ms. Burgherr,

Thank you for reaching out to me regarding this issue. I appreciate the very thoughtful and well researched information you were able to share with me. Protecting our children has been and will always be one of my top priorities as a State Senator.

At this time, however, I will be unable to sponsor this legislation. As a new legislator, I am trying to keep a very small number of bills under my sponsorship during this legislative session. Should you find a sponsor, I would be willing to have further conversations about this legislation. Please feel free to contact my office if you have any questions or concerns.
