THE SCHOOL OF ARCHITECTURAL DESIGN & INNOVATIVE TECHNOLOGY

July, 2022

Dear Incoming Roy H. Mann Families,

As the Principal of Roy H. Mann, it is my pleasure to welcome the *Class of 2025* to our school. Let me first say how thrilled we are to have you with us this year. With our academics on the rise, including our high passing rates on the Algebra and Living Environment regents exams, it is an exciting time at Roy H. Mann. Over the past several years, we have not been able to offer our full complement of classes and programs due to the restrictions connected to the COVID-19 pandemic. As we get closer to September, our hope and plan is that we will be able to offer all the wonderful programs that we have in the past to your children to help make their time in middle school even more engaging, nurturing and rigorous.

I am sure you have many questions about our school and are excited about your child beginning their middle school journey. On Thursday, July 28th, at 10 AM, we are inviting you and your child to our school for a summer open house orientation. Unfortunately due to COVID restrictions, we ask that each child be accompanied by (1) one adult.

Date: Thursday July 28, 2022

Time: 10 AM

Place: Roy H. Mann
1420 East 68th Street
(School Auditorium)

Students will be taken on a tour of the school while parents will meet with myself and members of the Roy H. Mann family to discuss our academic programs, Schoolwide Enrichment Model (SEM) and extra-curricular/after school activities. Most importantly, we will be there to answer any questions.

Please click on the link below to fill out a Google form letting us know if you will be able to attend the event.

Sincerely,
