Howdy, Hopeful Partner!

The volunteer committee supporting the 2017 Cattle Baron's Ball in Fayette and Coweta counties are proud to partner with businesses, like yours, to help raise funds in the fight against cancer. The Cattle Baron's Ball originated in Dallas, Texas over 35 years ago and is now the American Cancer Society's signature western event with over 50 Cattle Baron's events nationwide. On the evening of November 11, 2017, we will transform the Dixie Wing WW II Aircraft Museum at Falcon Field in Peachtree City, GA into a spectacular western venue, complete with live country music, unique cuisine, games, live and silent auctions, and plenty of cowboy boots!

We are proud that in 2016 we were able to raise over \$160,000 to support the American Cancer Society's mission to fund lifesaving research patient programs, and services. This was only made possible through the combined efforts of donors, patrons, and sponsors in this great community.

To help us reach our goal in 2017, we are currently seeking tempting donations to showcase in our Live and Silent Auctions. Our auctions are essential to the success of the evening and we hope you will participate. As a donor, you will be listed in our event program, placed in the hands of over 500 attendees. Your name will be proudly displayed with your donation at the event.

Without delay, please complete and return the enclosed Auction Donation Commitment Form—
