Official Program

2014 DESERT CUP

I would like to welcome all players, parents and sponsors to the 2014 Desert Cup. Playing spring/summer hockey not only extends our winter season but allows the opportunity to play with different players and build new friendships.

As we head to Vegas I am enthusiastic and positive that we will represent all your AAA hockey teams and our sponsors in a professional manner on and off the ice. I am looking forward to having the opportunity to manage and be a spectator to some of the best 2000 birth year hockey players in North America.
