Please accept this letter as a request for your assistance. We are asking for your support of the “Bowl for Burns” event.

In 2019 we will celebrate 38 years of “Bowl for Burns”. Last year’s event drew participants from all over Metro Detroit and from as far as Grand Rapids. More than 2000 people participated in our five week event. This year’s event is sponsored by our Platinum Sponsor CMAC Transportation and our Gold Sponsors Budget Tire and Farm Bureau Insurance JC Moczydlowsky Agency and many more sponsors.

Proceeds from this event support the University of Michigan Trauma Burn Center in Ann Arbor. The Trauma Burn Center (TBC) is an internationally recognized leader in patient care, research, rehabilitation, and injury prevention. Founded in 1959, it was one of the first dedicated burn units in the United States. That legacy has expanded to being verified as a both a Burn Center and a Level-1 Trauma Center. Designated as the State Burn Coordinating Center for Michigan, the TBC is responsible for training first responders and medical personnel throughout the state to properly respond to catastrophic burn-related events and injuries. Recovery from a burn injury is a life-long journey. Therefore, the TBC provides comprehensive survivor support programs such as Kids Burn Camp, Survivors Offering Assistance in Recovery, and school/community re-integration. Additionally, the TBC demonstrates an unwavering commitment to reducing injuries by providing best practice interventions and education to thousands each year in the community.

We ask for your help in any number of ways. Listed below, I hope you can find a suitable level of sponsorship. Please help for a great cause.
