

Dear Friends:

Welcome to the 2018 fair season! Our county fairs are a family tradition for many Michiganders. It's an entertainment staple celebrating our agricultural heritage and showcasing the diversity and innovation of our growing food and ag sector.

Millions of Michigan citizens and tourists attend county fairs every year. In fact, agriculture has always been an integral part of our state and its future has never been brighter. It uses cutting-edge technology, incorporates environmental practices, and is an industry filled with career opportunities.

I am proud of Michigan's 4-H program and the tremendous accomplishments of our FFA peers. Thanks to Michigan's local and county fairs, Michigan youth have the opportunity to showcase their hard work while educating fairgoers about the state's food and agriculture industry. Careers in food and agriculture are limitless – everything from veterinarians, soil scientists, and microbiologists to metrologists, food scientists, engineers, and more!

Our county fairs are full of local charm, family fun and agricultural traditions. This year, be sure to visit a local or county fair as part of your Michigan summer travel plans.

Sincerely,

Rick Snyder  
Governor

Dear Friends,

Welcome to the 2018 county fair season!

Millions of people attend Michigan's county fairs each year, and this year's fair season promises to provide the sights, sounds and activities that have become an annual tradition for many of us.

Michigan fairs are an important part of our state's growing food and agriculture industry, helping to reconnect consumers and communities with agri-food traditions while highlighting modern agriculture techniques. Our state's nearly 90 local, county and state fairs provide safe, family-friendly entertainment and celebrate the bounty of our agricultural harvest.

Fairgoers and local businesses support the nearly 50,000 Michigan youth who participate in livestock and community arts exhibitions each year. Many of our exhibitors use the auction proceeds to help fund their college education or vocational training after high school.

Whether you are here as a sponsor or exhibitor, or simply to enjoy the livestock shows, food, midway rides, and entertainment, I wish you great adventures during the 2018 fair season.

Regards,

Gordon Wenk  
Director
