

Buck in a Bucket Volunteer Details

- Noho Pride will provide the number of buckets as agreed upon with supporter\sponsor.
- The supporter\sponsor is responsible for distributing the buckets to the volunteers.
- Volunteers should meet at 11:00am at the parade staging site with their group. See Noho Pride website for Parade info and staging at www.NohoPride.org
- Some volunteers should march with their group; the rest should walk along both sides of the entire parade soliciting.
- Volunteers should use this verbiage: *"Please donate a buck or whatever you can to help keep Pride strong and successful!"*
- Volunteers working the parade only will be working from approx. 11am to 1:30pm as the parade marches from downtown Northampton into the event site at the 3 County Fairgrounds. See Noho Pride website for Parade route map at www.NohoPride.org
- Volunteers can start soliciting at 11am before the parade begins.
- PLEASE NOTE IF MARCHING IN THE PARADE AND SOLICITING, walk along the side of your contingent and solicit the crowd. Do not bunch up in the middle or behind the banner. You will need to go out to the crowd.
- Volunteers who can provide more time soliciting donations can work from the 11am parade lineup time until 4pm soliciting during the Pride event.
- Once volunteers are done with their shift, turn the bucket into the NoHo Pride Info Booth.
- There will be a list of the number of buckets given out so when the volunteers turn in the bucket, it gets checked off the list as returned.

Thank you so much for your volunteer work and support!
