

### Southern Idaho Section – ASCE Meeting in Eastern Idaho

**DATE:** Tuesday, September 16<sup>th</sup>, 2014

**TIME:** 12:00 to 1:00 pm

**LOCATION:** Pizza Pie Café, 3160 E 17<sup>th</sup> St., Ammon, Idaho

**SUBJECT:** We are pleased to have Mike Arneson, PE, of J-U-B Engineers present on Regional Infrastructure Planning - 5 key elements that made the Chubbuck Northwest Sewer Collection Project a success. The presentation will cover a large, regional wastewater collection project in Bannock County just north of Chubbuck. Phase 1 of the project was recently completed consisting of 6 miles of gravity sewer lines, 3 miles of sewer force mains, and two regional lift stations. The presentation will summarize the steps that were taken to identify the project, assess its feasibility, and plan for its implementation, funding, and construction. The presentation will discuss unique issues associated with the large-scale project and how those issues were handled to keep the project moving forward to a successful outcome.
