Save the Date! Heart of Texas Saving Bodies, Minds and Hearts Public Awareness Night—June 8th

The Heart of Texas Regional Advisory Council is excited to host our Saving Bodies, Minds, and Hearts Public Awareness Night. This one evening event will focus on some of the “HOT” topics in emergency healthcare, injury prevention, and healthy living.

Our membership and partners will be available to answer questions, provide information, health screenings, and the opportunity to learn Compression Only CPR and Stop the Bleed. Mark your calendars now! We look forward to seeing you on June 10, 2015.

For more information, contact HOTRAC Staff at 254-202-8740, info@hotrac.org or visit our website, www.HOTRAC.org. Information regarding this event will be posted as it becomes available.
