

Sacred Heart School, Bethlehem is currently enrolling for 2017-2018 school year.

Sacred Heart School is different by design. When a family chooses to send their child(ren) to a Catholic School, they are expecting something different. Not to sound cliché, but we are different by design. We are a community of Faith, Knowledge, and Service. Each one of those aspects is important by themselves. But, more importantly, living them out all together is life-changing. Living out Faith, Knowledge and Service is ingrained in our daily curriculum at Sacred Heart School.

We are building the kingdom of God by believing in Christ our Savior. We are also learning about our Catholic faith. We, as a parish community, celebrate Mass together. As a school community, we pray together at least three times a day. We pay reverence to our feast days, holy days of obligation, learning more about our faith during religion classes, learning more about our faith by having conversations with other believers, and participating in Advent, Lenten and sacramental retreats. We are blessed by being able to put our faith in action daily.

We welcome and embrace diversity at Sacred Heart School! We have many dedicated families that have entrusted us in educating their child(ren) for generations, and we also have families who practice other religions (30% of our student population) who have made the choice to enroll their children here at our school. They are witnessing first hand--through their child(ren)'s lives --the difference a private education at Sacred Heart School can offer.

We really emphasize "personal best" at Sacred Heart School in and outside of the classroom. We adhere to the Diocesan and state courses of study. But we are also able to enhance our students' knowledge by offering different opportunities to expand their personal growth in all subject matters. We have the privilege not to teach to state tests. We are able to diversify our subject matters to ensure that all our students excel to their personal best. We are able to offer high school classes to our 8th grade students. This gives them the opportunity to take high school classes while still being in our small nurturing environment. It is one of our missions to expand your child's knowledge in all subjects at Sacred Heart School.

Our staff works very hard to lead by example by incorporating service in our daily lives. We all are called as Christians to assist our brothers and sisters in Christ. There are many times throughout the school year that we offer service opportunities. So far this school year, we have conducted a toilet paper drive for our local veterans, food drive for our local food banks, and collected items for the humane society. By incorporating service in our course of study, we are demonstrating the importance of giving back to our community.

We offer many scholarship opportunities so that Sacred Heart School can be an affordable choice for any family. One of these is the Jon Peterson Scholarship which is for students who are currently on an IEP. We are also a provider for the EdChoice Expansion Scholarship which is available for families who meet certain income guidelines for incoming Kindergarten, first, second and third grade students. Also offered is the One Faith Many Blessings Scholarship available to families that may need tuition assistance to attend our school.

Our community of Faith, Knowledge and Service keeps evolving with the times while keeping a secure belief of our past. We are currently accepting registration for the 17-18 school year for students in preschool – eighth grade. To experience the difference that Sacred Heart School might make for your family, please call Mrs. Lisa Myers at 419-342-2797 or 419-683-1697 to schedule a personal tour of our school. Class sizes are limited at Sacred Heart School. Bussing is also available for Shelby and the surrounding communities. We ask you---is this the year that you and your child will experience firsthand the benefit of an excellent faith filled education?
