### **Jude Lee (venus968@yahoo.com) - Open Lace Pink Depression Glass.**

**Message:** Hello, Can you tell me where I could sell a set of this glass besides Craigslist. Thank you.

### **Karen Kersting (alane.designkk@gmail.com) - Anchor Hocking Prescut Glass.**

**Message:** My client is interested in "divesting" a large collection of this glassware - over 1000 pieces; some in the original box. This is an extensive collection of plates, bowls, punch bowls, punch cups (several 100s of those...), serving pieces and vases. I have a detailed inventory. All are in mint to excellent condition. I have attached a few photos. We would certainly welcome any PR your newsletter could provide (interested collectors may reach me via this email address) and either my client and/or I will come to the show. Looking forward to meeting your members!

### **Jeanne Brewer (cullenjeanne@hotmail.com) - Pink Depression Glass**

**Message:** We have a small collection of pink Depression glass. Would anyone be interested in seeing pictures and possibly buying some of it or all of it? Thank you

### **Mishele Smith (MisheleNewkirkSmith4@gmail.com) - Depression Glass**

**Message:** I have a few boxes of depression glass I have inherited. Can you recommend the best place to sell it? I live on the Gulf Coast of MS. Thanks!
