

***Wabaunsee Pines will re-open to the public starting Saturday May 2nd. In order to provide the safest environment possible, we will continue “no touch” golf and have the following implementations:**

*The course will be open to the public.

*No change will be made so golfers need to bring the proper amount for golf and cart fees and put directly in fee box (no sign-in or fee envelopes will be used).

*Carts will be available to rent and signage will be up for golfers to RETURN CARTS HERE (so used carts can be sanitized after use).

*We encourage golfers to rent separate carts unless golfers are members of same household or rode to course together.

*Flags will be put back in the cups (unless real windy) and cups will be modified for easy ball extraction---DO NOT PULL FLAGS!

*Clubhouse will be open for restroom use only.

*Golfers should maintain a six-foot social distance-----NO CONGREGATING of groups larger than 10 on premises including deck or parking lot.

*Sand scoops have been returned to tee boxes. Please leave them outside the box for the sun to hit them.

*Please pick up your own tees/broken or not. All tee caddies have been removed.

*Dirt work/seeding is taking place in some of our rougher areas so please avoid driving on these, especially if muddy.

*Memberships can be purchased through me (785-633-5002).

*Men’s night golf will also begin on **June 2nd** when group gatherings can hopefully be up to 30 people.

*Our tournaments will be pushed back. 1st will be June 27th when group gatherings can hopefully be up to 90 people.
