

# Coronavirus update for the Joshua Church

## Services online only until April 14, 2020

With the announcement from the CDC and the City of Joshua recommending no gatherings of greater than 50 people, we will be switching to a live-stream format for our upcoming church services with no in-person Sabbath worship services or Sabbath School Classes.

We invite you to join and worship with us online via the Joshua Church live-stream on YouTube on our normal worship hours.
