

Village of Sheridan  
Zoning Board of Appeals/Plan Commission  
September 27, 2021  
Sheridan Village Hall

The Village of Sheridan Zoning Board of Appeals/Plan Commission met on the above date with the following members present: Jamie Walker, Pam Carlson, David Bardson, Maggie Cimbalista, James Helling, Heather Weber, and Mike Mott. Also present were Attorney Mike Fuller in Richard Burtons absence, and Jamie Skalic, Zoning Board Chairman.

Attorney Fuller began reviewing an updated Sign Ordinance with the board. They reviewed temporary political campaign signs and political message signs in R-1, R-2 and Residential Districts with no issues. They next reviewed Temporary Event Signs in Business, Manufacturing, Agricultural, and Lowland Conservancy Districts. Mike Mott expressed issues with an application process included in the updated ordinance. They then reviewed the Electronic Signs revision to the ordinance and had no objections to the updates. After final review, the full board would like to recommend approval with removal of application language to Temporary Signs within Business, Manufacturing, Agriculture, and Lowland Conservancy Districts.

Jamie Walker then asked for review of minutes from the August 2, 2021 hearing. Mike Mott motioned to approve the minutes from August 2, 2021. Pam Carlson seconded the motion. All were in favor. Motion Carried.

There being no further business, the full board approved adjournment of the hearing.

Respectfully Submitted,

Cathy Grimwood  
Village Clerk
