Artists may submit as many pieces as they like as long as each is unique. Artists may submit a triptych or a group of artists may work on a theme and submit several items as a group.

Entries must be original work created by the submitting Artist.

ANY media can be used, paint, pencil, crayon, embroidery, twigs, fabric, rocks, wallpaper collage, rubber stamps, stencils, found objects, anything. Photographs may also be attached to the canvas.

Subject matter is entirely up to the artist as there is no 'theme' for 12squared. Please keep in mind that this is a family event and objectionable content (profanity, nudity, etc.) will be rejected by the jury.

Finished canvas must sit securely on the easel, you may attach the canvas to the easel but it must stand on its own. Easel must stand upright on the flat bottom of the back leg***.

You **may not alter the easel** (paint it, decorate it, but no alterations to the structure will be accepted.)

Each piece must be **legibly** marked on the back with the artists name, telephone number and email address (if available). Information must be securely attached or written directly on the back of the artwork. This is in addition to the display card. (hint: scotch tape will not secure)
