

Corporate Descriptions

Symphony Asset Management LLP

Symphony Asset Management is a boutique alternative investment firm headquartered in San Francisco, CA, with an office in New York, NY. An SEC registered Investment Advisor since inception in 1994, the firm employs 70 experienced industry professionals, 29 actively managing more than \$12B in assets for a diverse client base of institutional and high net worth investors.

Symphony's mission is to preserve capital, maximize risk-adjusted returns and manage volatility for clients in all market cycles. The team invests opportunistically across the capital structure, offering bespoke investment solutions and hedged strategies in separate accounts and commingled funds. The firm's integrated platform of hedge funds, long-only strategies and structured products delivers access to investments in high yield and convertible bonds, senior bank loans and equities.

The firm is dedicated to building stable, strategic partnerships and long-term relationships with clients, acting as a resource for expertise on the credit and broader markets, serving as a value-added investment manager and ultimately, a trusted advisor.

Symphony Asset Management LLP

Symphony Asset Management is a fundamental research-based investor primarily focused on credit. Headquartered in San Francisco with an office in New York City, the firm has \$15.2 billion assets under management and has been an SEC-registered investment advisor since 1994. Symphony offers opportunistic, actively managed portfolios across the credit spectrum including high yield, corporate and convertible bonds, credit default swaps, and bank loans in hedged, long-only and structured products. The team concentrates on relative value opportunities, mispriced issues and market dislocations to generate alpha while vigilantly managing risk and volatility to consistently produce superior risk-adjusted returns throughout market cycles for institutional and family office clients.
