75TH ANNIVERSARY

Est. 1944

President Report: Teresa Ford

Hello all

I hope everyone is safe and sound after all this snow. Beauty and the beast is how I look at it.

Lol. Our mini Miss Kitty Kay was like a hot wheel car. She stayed in the path that the big horses made because our 2 feet of snow was up to her belly. the snow was over the hocks of the other 2 horses. We finally made it out after 3 days. We all made it safe and sound

The Kitsap Saddle Club has been receiving sponsorships from several businesses all because of Lori Vogel. Thank you Lori. We will have wonderful items for daily high points, end of year and B show. The club will be sending out a thank you to each sponsor.

The Royal court did awesome at the sweetheart dinner. They truest have the support of their families and their KSC family. The Young ladies will be working hard for the club this year. Making appearances and going to parades. Daily I hear from people about that the court girls have talked to about their club, their home away from home. A place that is fun and safe and will provide them many more years of memories.

If anyone has extra time (I know) and you would

like to help clean up around and in the club just let a board member know. It's your club also. Let's all pitch in and keep it nice.

Come see me if you have any ideas or concerns. Talk soon my friends

Vice-President Report: Wendy Bender

A huge thank you to everyone who came and supported the Royalty Court for the Sweetheart Dinner!

Thank you for braving the weather and supporting the club. It was a huge success! We are looking forward to a great year supporting the club and riding horses. Can't wait to see you all at the club events!

Steward Report: Lori Vogel

Steward Report - well things are moving along rather smartly in the Steward's World. Inventory has been completed and an estimate given to the membership to purchase play day ribbons and high points. I have agreement from judges for all my shows - just waiting on contracts coming back. I'm getting EXCITED!! One of the best thing about being Steward is that Christmas comes all year - and most unexpectedly! We sent out about 200 requests for sponsorship (donations) to some national companies and I have already received a box of some very nice items from Jacks Manufacturing/JMI Pet Supply! Check out their website at <http://www.jacksmfg.com> to see the kind of items they offer!

Lori Powers has uploaded and tested all the shows form on to the website - take a look! Check out some of the new classes - particularly in the Working Horse Divisions. All in all it's going to be a great year! And don't forget - Year End has changed. Read the form - it's an exciting time for our membership. Pssst - you don't have to wait until the 1st show to turn in the Year End form - I'll take them any time.

Let me know if you have any questions/concerns/comments. It's a busy year for all of us and I'd hate to miss an opportunity because I was too distracted to see it. Thanks! Lori V

I hope everyone survived the snow ok, we were snowed in for about 5 days. I was ill and was not able to come to the last meeting(s) and for the Sweetheart Dinner, really bummed that I missed it.

I will be creating events on our Facebook

Group page so look for them as I post them for reminders of our upcoming events.

I've been working my mare more consistently, and I'm looking forward to bringing her to the club this year. So you should see me there riding a tri-colored paint mare.

Forms are up on the website, I've checked them and they do work, if you find for some reason they do not work for you please email me or message me on FB and I will check it out and get you the form(s).

Take care everyone and stay safe!

Well hello,

I cannot believe it is already February. Before you know it we will have traded mud for dust, and the show season will be in full swing.

I hear there will be a spring spruce up day in March. I will guarantee if you come with your

tools and can-do attitude to help, there will be a yummy meal too. 🍷👤📱👁️

I am also gearing up for our annual spring tack sale and open house on **April 6th 10 am to 2pm**. If you have some things you need to clean out of the tackroom, I can rent you a space and table for \$15. Or if you need to add to your tack come on out and shop, there are always lots of good deals to be had. I am hoping to have some other fun things going on that day...games, raffles, snacks. I will keep you all posted.

See ya at the club,
