Presidents Letter

Since last I wrote one of these letters quite a lot has happened. The 1992 Winter season finished up and we had a very pleasant Awards Banquet at the Presidential Banquet Center. As you know elections were held for the seats of vice-president and four trustees. The individuals chosen to these positions are Vice-President Michael Considine and Trustees: Tamra Needles, Jody Furrow, Steve 'SPANKY' Manger and Brad Wethington. Another new voice on the board is Cheryl Fink. Cheryl has taken over the duties as secretary when that seat was vacated by Donna Hack. Thank you Donna for all your time and work you have contributed over the past few years.

Moving right along we find ourselves in the closing half of the Summer League and right around the corner from the start of the 1992 Fall season. For those of you participating in the Summer League the date of September 19 has been set for this years banquet. You will be informed of the location and time so keep this date open.

For everyone planning to play this fall its time to get your teams together and get those applications turned in. The applications are due August 7 with the captains meeting to be held Monday August 24 at 6:30 pm. The meeting will be at the Charles Lathrem Center in the Kettering Recreation Complex at 2900 Glengarry Drive. The first nights of play will be August 26 and August 27. Also, qualifiers for the All Star team will be starting very soon. The All Star team will compete this November in Columbus against teams from Cincinnati, Cleveland and Columbus. So you best get your darts out of hiding and start showing them a little attention. All the best.

Respectfully,
Mark A. Grencavage
President, D. D. A.

Editor's Page

Well it looks like the publishing business in dart land is going a little slow this year...we will still send you a newsletter exactly when you think that you will never get another one..or hope that you will not get any more...on to the important stuff...I have finally found a use for those one cent stamps you get for change from the post office stamp vending machine...use it to hold your DDA scoresheet closed instead of using whole rolls of scotch, masking, electrical, bandages, staples, and duct tape...did you ever try to sort through several hundred sheets of paper with various types of tape protruding from all edges of the sheets...what late night fun will they come up with next? ...

Summer is passing and NOW is the time to sign up your Fall team...

in an effort to recruit more players and step up the competition level, all first place teams will receive a \$10,000 discount on their next shuttle ride, see the treasurer for details...

Practice up on them doubles now, especially if you want to make the 92 All Star team... the new format requires you to hit some doubles if you want to make the team; since you will be throwing 30% of your darts at them...practice up and watch CNN for details...

I heard about some nootropic pills and drinks out there, anyone know where I can get some?...I don't know about you, but I can always use something to make my brain work ... see you out and about improving your game... Lou

## All-Stars Update

It is becoming the time of year to start perfecting your throwing techniques and concentration so that you are in top form to try out for the Dayton All-Stars Team. The All-Stars Team qualifiers will begin early in September.

The All-Stars Team consists of 24 men with 4 alternates and 12 women with 2 alternates. Each member of the team will receive a personalized tournament shirt. The team will travel to Columbus for a one-day tournament called the Quad-City Challenge on November 22. At this tournament, the All-Star Teams from Cincinnati, Cleveland, Columbus and Dayton square off for bragging rights as the best dart city in Ohio.

The qualifying format is a little different this year. As in the past you will throw a total of 20 rounds (60 darts) per attempt. The first 3 rounds will be shot at doubles. Every double you hit is worth 40 points. Then 14 rounds are shot to try for as many points per throw as possible. All triples, doubles, singles are worth face value. The last 3 rounds are again shot at doubles, each worth 40 points. The total of all these points is added and becomes your final score. The highest scores are posted on a standings list showing who has qualified for the team at that time.

It costs \$1 per qualifying attempt and a list of qualifying dates and times will be posted in your local dart bar. Keep your eyes open for the posters and more information. If you have any questions or comments, please let me know (299-8065).

**JUST DO IT!**

## Thoughts.....Darts

Visual...what?

From everything I read, success in anything is often achieved by a thing called visualization. To me, this means watching something in my mind's eye as I would like to see it happen.

Since your brain has trouble telling if it was real or imagined, it thinks it happened; therefore, it can happen again, so when it is time to do it, it happens naturally.

So, be sure your visualizations are positive and not negative, because it is amazing how often, your "movie in your brain" comes true. ... Lou.

## Why is it?

that you seem to play at the level of your opponent without even trying? that often after losing the first game of a match that you come back and win by taking the next two games?

CONGRATULATIONS TO NORTON'S DART TEAMS!

# CONGRATULATIONS !!

to

## Mary Toney

&

## Brad Wethington

for taking top honors in the

## City Championship Tournament

## GEM 10

The Gem 10 is Dayton's traveling professional dart team. They compete across three states against nationally ranked competition. The team is made up of the finest women in darts. The current schedule is made up of six teams from five cities. The overwhelming concern to improve and involve women in darts led to this league.

It was a great day in Lexington. The Gem 10 ladies took first place. The one disappointment was that only three cities were represented. Lexington finished second and Cincinnati finished third.

The Dayton ladies were unstoppable, winning or tying 15 of the 16 rounds. Congratulations to all. The team was Tereasa Wahlrab, Mary Toney, Janet Itzkowitz, Nikki Bulcher, Kathy Hobrock, Shell Hixson, Jann Christiansen, and Jody Furrow. The alternates were Donna Hack and Carey Breakfield. The alternates were in the match for 4 rounds, so it truly was a team victory. Jody Atkins and Tami Grywalski traveled with the team, an important position if one of the team members is absent or unable to compete.

The Gem 10 schedule has the women at Fat Cats in Cincy on August 8, Hanks on Sept. 12, back to Fat Cats on October 10, and Speedway in Indy December 12. The match at Hanks would be a great opportunity for us to show our support for the ladies, so please come out. You'll see some of the best darters from three states.

P.S. Special thanks to Hank for her continuing support of the ladies.

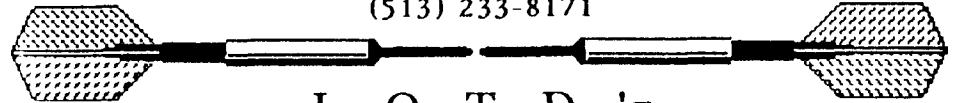

... Wayne and Mike
