

Gotta Find You

From "Camp Rock" by Joe Jonas

Every time I think I'm closer to the heart
Of what it means to know just who I am
I think I've finally found a better place to start
But no one ever seems to understand
I need to try to get to where you are
Could it be you're not that far
You're the voice I hear inside my head
The reason that I'm singing
I need to find you, I gotta find you
You're the missing piece I need, the song inside of me
I need to find you, I gotta find you
Oh yeah, yeah, yeah

You're the remedy I'm searching hard to find
To fix the puzzle that I see inside
Panting all my dreams the color of your smile
When I find you it will be alright, I need to try to get to where you
are, Could it be you're not that far
You're the voice I hear inside my head
The reason that I'm singing

I need to find you, I gotta find you
You're the missing piece I need
The song inside of me
I need to find you, I gotta find you
Oh yeah, yeah, yeah

Been feeling lost, can't find the words to say
Spending all my time, stuck in yesterday
Where you are is where I wanna be
Oh next to you, And you next to me
Oh, I need to find you, yeah

You're the voice I hear inside my head
The reason that I'm singing, I need to find you
I gotta find you, You're the missing piece I need
The song inside of me, I need to find you, I gotta find you
Oh yeah, yeah, yeah You're the voice I hear inside my head
The reason that I'm singing, I need to find you, I gotta find you
You're the missing piece I need, The song inside of me

I need to find you I gotta find you
Oh yeah, yeah, yeah
Yeah, yeah, I gotta find you
