1	DEFICIT ANNUAL FINANCIAL REPORT (AFR) SUMMARY INFORMATION New Provisions in the School Code, Section 17-1 (105 ILCS 5/17-1)								
2	Instructions: If the Annual Financial Report (AFR) reflects that a "deficit reduction plan" is required as calculated below, then the school district is to complete the "deficit reduction plan" in the annual budget and submit the plan to Illinois State Board of Education (ISBE) within 30 days after accepting the audit report. This may require the FY2017 annual budget to be amended to include a "deficit reduction plan" and narrative.								
3	The "deficit reduction plan" is developed using ISBE guidelines and format in the School District Budget Form 50-36. A plan is required when the operating funds listed below result in direct revenues (line 7) being less than direct expenditures (line 8) by an amount equal to or greater than one-third (1/3) of the ending fund balance (line 10). That is, if the ending fund balance is less than three times the deficit spending, the district must adopt and submit an original budget/amended budget with ISBE that provides a "deficit reduction plan" to balance the shortfall within the next three years.

• (M) Program was audited as a major program as defined by §200.518.

* NEW - Also include the total amount provided to subrecipients from each Federal program. §200.510 (b)(4).

The accompanying notes are an integral part of this schedule.

- ¹ To meet state or other requirements, auditees may decide to include certain nonfederal awards (for example, state awards) in this schedule. If such nonfederal data are presented, they should be segregated and clearly designated as nonfederal. The title of the schedule should also be modified to indicate that nonfederal awards are included.
- When the CFDA number is not available, the auditee should indicate that the CFDA number is not available and include in the schedule the program's name and, if applicable, other identifying number.
- When awards are received as a subrecipient, the name of the pass-through entity and identifying number assigned by the pass-through entity must be included in the schedule. §200.510 (b)(2)
- The Uniform Guidance requires that the value of federal awards expended in the form of non-cash assistance, the amount of insurance in effect during the year, and loans or loan guarantees outstanding at year end be included in either the schedule or a note to the schedule. Although it is not required, the Uniform Guidance states that it is preferable to present this information in the schedule (versus the notes to the schedule). If the auditee presents non-cash assistance in the notes to the schedule, the auditor should be aware that such amounts must still be included in part III of the data collection form.
