## SECTION V

### APPLICATION FOR LAND DIVISION APPROVAL

An applicant shall file all of the following with the Ironwood Township Assessor or other official designated by the governing body for review and approval of a proposed land division before making any division either by deed, land contract, lease or more than one year or for building development.

- A. A completed application on a form as provided by the Ironwood Township Assessor.
- B. Proof of fee ownership of the land proposed to be divided.
- C. A parcel map drawn to a scale of not less than 1" = 200' including an accurate legal description of each proposed division, and showing the boundary lines, dimensions, the accessibility of each division from

existing or proposed public roads for automobile traffic and public utilities, and compliance with the requirements of this ordinance and the Land Division Act. An accurate legal description of all proposed divisions shall at all times be required.

If the Ironwood Township Assessor finds the parcel map to inadequately provide information about the size, simple nature of the divisions or the undeveloped character of the territory in which the proposed divisions are located, the Ironwood Township Assessor may require a survey map of the land proposed to be divided, prepared pursuant to the survey map requirements of 1970 Public Act 132, as amended, (MCL 54.211) by a land surveyor licensed by the State of Michigan.

- D. Proof that proposed new roads, public or private, and easements have been approved by the County Road Commission or MDOT.
- E. The history and specifications of any previous divisions of land of which the proposed division was a part sufficient to establish that the parcel or tract to be divided was lawfully in existence as of March 31, 1997. Such history and specifications shall describe the parent parcel or tract of which the parcel or tract to be divided was a part as that parent parcel or tract existed on March 31, 1997. Such history and specifications shall also identify both the owner of the parent parcel or tract on March 31, 1997, and the owners, on March 31, 1997, of parcels sharing common property lines with the parent parcel or tract on March 31, 1997.
- F. If a transfer of division rights is proposed, detailed information about the terms and availability of the proposed division rights transfer.
- G. Proof that all standards of the Land Division Act and this Ordinance have been met.
- H. The fee that may from time to time be established by resolution of the governing body to cover the costs of review of the application and administration of this Ordinance and the Land Division Act.

## SECTION VI

### PROCEDURE FOR REVIEW OF APPLICATIONS FOR LAND DIVISION APPROVAL

- A. Upon receipt of a completed land division application package, the Ironwood Township Assessor or other designated official shall approve, or disapprove the proposed land division within 45 days after receipt of

the completed application package conforming to this Ordinance's requirements, and shall promptly notify the applicant of the decision and, if denied, the reasons for any denial.

Any applicant aggrieved by the Ironwood Township Assessor or other designated official decision may, within 30 days of said decision, appeal the decision to the governing body, which shall consider and resolve such dispute by a majority vote at its next regular meeting or session affording sufficient time for a 10 day written notice to the applicant of the time and date of said meeting and appellate hearing.

- B. The Ironwood Township Clerk or other designated official shall maintain an official record of all approved and accomplished land divisions or transfers.
- C. APPROVAL OF A DIVISION IS NOT A DETERMINATION THAT THE RESULTING PARCELS COMPLY WITH OTHER ORDINANCES OR REGULATIONS OR THAT SAME RESULTED IN "BUILDABLE PARCELS".
- D. The Township and its officers and employees shall not be liable for approving a land division if building permits for construction on the parcels are subsequently denied because of inadequate water supply, sewage disposal facilities, violation of the Ironwood Township Zoning Ordinance, or otherwise, any notice of approval shall include a statement to this effect.

## SECTION VII

A proposed land division shall be approved if the proposed land division complies with all requirements of the Land Division Act and the criteria of this Ordinance, as set forth below.
