

December's Minutes Report

12-03-2017

Meeting was called to order by Connie and Terry. Motion to approve by Daryl Jr. All approved. The secretary report read by Francesca (myself), Motion to approve by Biz, Daryl Jr. 2nd. Treasure report was read by Connie, Motion to approve by Francesca (myself), our lovely Shelia 2nd. It was discussed during our meeting that for our next annual Abate Of Michigan bike raffle will be a different style of a Harley Davidson. From the "rumor" they had also discussed to change brands completely, it was also mentioned that they have decided against it. Abe also read out loud about how they have changed the law of the requirements on how high our handle bars can be. The article read the new state law for handle bar height has changed as follows, 15 inches - 30 inches!!!! Are they crazy? It is extremely dangerous to raise it that far. An inch or 2 maybe but doubling the height allowance? In my opinion its uncontrollably insane!! After Abe finished reading the article Daryl Jr. motioned to close our meeting. Abe gladly 2nd. following the meeting we held our annual Christmas Party. We didn't have many people who attended, that's OK though we all had a wonderful time. A huge thank you to Abe and Shelia, it was very thoughtful of you to bring in 2 big pans of brownies and the boneless chicken wings.... they were super yummy. Terry and Connie brought in macaroni salad and potato salad. Daryl Jr and Francesca (myself) brought in some yummy banana Bread... You can say we had plenty of food to go around. We also invited everyone to come on out and join us. We had a wonderful time. I almost forgot to mention, Francesca (myself) has officially been sworn in to be our regions secretary. Cari no longer wanted to be in that position. I am honored to be our regions secretary. I look forward to meeting many more people. Thank you everyone!
