Basis of Competition

- SCCS tournaments are individual medal play tournaments using a modified Stableford System for scoring. ***The maximum score for a hole is triple bogey.***
- Scoring is on a hole by hole basis:
    - **5** points for an eagle
    - **4** points for a birdie
    - **3** points for par
    - **2** points for a bogey
    - **1** point for a double bogey
    - **0** points for anything higher
- Par is **54 points.**

Initial Quota – New Members

1. Developed based on your current Ghin Index prior to your first event
2. Tournament course handicap is calculated using the Ghin Index based on the course rating and slope for the Tee Box being played.
3. Your **Quota** will be the Tournament Handicap subtracted from 54.
4. After playing in a tournament your Quota will be adjusted based on performance at SCCS tournaments.

Quota Adjustment for Members
