

Evanston Referendums Forum

The League of Women Voters® of Evanston
is hosting
an informational forum on the two referendums that will be on the
November 6 ballot for all Evanston voters.

Sunday, October 14, 2018

Evanston Township High School
1600 Dodge Avenue (enter door 6)
2:00 PM

The two referendums are:

- 1) Asking whether Evanston should increase the real estate transfer tax for property sales transactions over \$1.5 million.
- 2) Asking if the city should protect the Harley Clarke mansion from demolition and preserve it for public use, at no or minimal cost to tax payers.

The forum will be conducted by a neutral moderator, following the rules set down by the League for open forums where both sides of a question are given equal time.
