

Dept. 24 - Aquaculture

This exhibit contains cultivated food fish or shellfish grown under controlled conditions. The live display is in a water filled enclosure. Aquaculture species means aquatic animal organisms including, but not limited to, fish, crustaceans, mollusks, reptiles or amphibians grown under these controlled conditions. Due to the special needs of the exhibit the exhibit will be brought in the day of judging and removed from exhibition following judging. Points will be awarded to the junior and senior exhibit whose entries are selected by the judge.

Exhibits will check-in on **Tuesday, July 24** between 9:00 and 9:30 a.m. in the Exhibit Building and will check out Tuesday night between 5:00 and 6:00 p.m.

All fish must be in a bowl.

All Aquaculture exhibits must be entered online by July 15, 2018.
