Hello from Sunset Nursery School!

“The winter has past, the rain is over and gone, the flowers appear on the earth, the time of singing has come” Song of Solomon 2:11-12

The warmth of the sun shine, the buds on the trees, the birds singing, and the flowers poking through the earth all remind us that new beginnings always make us happy and hopeful! What a wonderful time of year. We welcome April with open arms!

This is a very exciting month at Sunset. We are looking forward to hearing the children running around laughing and giggling in the playground, going on nature walks and everyone enjoying the abundance of sunshine that this month brings.

We have been busy making spring decorations in our classroom to put up all over the school, as the seasons change, so does the décor, books and material in our school. We’ve been painting using soft pastel colors and we’ve even changed the color of the playdough! It’s fun to see the children discover the changes we make to keep Sunset fresh and exciting for them.

Camp registration will begin soon. If you are interested in camp, please be sure to call and hear more about this summer program. Registration for September 2019 is in full swing with only a handful of spots left. If you have not yet signed up, please be sure to call the school. Thank you, always, for your support and prayers for our school, the children and the teachers. We are truly blessed to spend our days together.
