Burlington Dance Academy (BDA) runs in 8 & 12 week sessions. Session 1, September & October. Session 2, November-January. Session 3, February-April. Session 4 May & June. Tuition is due by the 10th of the first month of each session. Late payments incur a \$5 fee. Monthly payments are offered if signed up for autopay, along with an additional 4% convenience charge. All payments can be put directly into the black, locked box, please do not give to the teachers. Students wishing to add or drop a class must fill out an add/drop form. This must be done within 2 weeks of starting or stopping a class. Failing to do so, will forfeit your session tuition. Refunds will be given upon receiving the completed form. When students miss a class they are entitled to a make-up in any class of their choice. This must be used within the current session, or one month after the missed class. If class is cancelled due to weather, students are also allowed a make-up, which does not expire until the end of the dance year. Please watch email, Facebook & Instagram, and our website regarding cancelations. BDA will be closed if Burlington School District cancels school, or after school activities at the High School. Cancelled classes may be rescheduled at teacher's discretion.

Dress Code and Behavior:

BDA has a no gum policy. There is absolutely no gum chewing on the dance floor from students, teachers, or parents. We also have an "I can't" policy. Students are encouraged not to say this phrase when learning. It may be a task that is difficult for them, but it is not impossible. The staff at BDA encourage all students to try their hardest, but not expecting perfection either! All students must abide by the dress code, it helps the teachers to more clearly see the body form, which allows for posture corrections, and classes have a more unified, professional look about them.

News and Information:

Here at BDA we try to be as paperless as possible. We prefer to communicate through email. If you have given us your email, please keep this in mind and add us to your contacts. You are responsible for reading and knowing all that is sent to you. You can find all the needed updates on our website and via social media I.E. Facebook & Instagram. Please let us know if you'd like us to print out a copy of anything.

Recitals and Performances:

BDA puts on a yearly recital in the month of June. Participation is completely optional for all students, but is a great opportunity to show off what students have learned and worked hard on throughout the year. Recital costs and information can be found on a separate sheet as the year continues. Throughout the year, some students at BDA will be asked to participate in performances around the community. These are also optional, but give the students great experience and the chance to perform in front of an audience.

Costumes: For students deciding to participate in the recital, costumes are ordered over winter vacation to ensure receiving them in a timely fashion, allowing for exchanges and alterations, if needed. All important information regarding costumes, rehearsals, dates, and times, are found on our website and info board. Individual costume pricing is as follows: these prices can only be guaranteed if paid in full by the due date. (prices may change)
