The perfect choice for lasting comfort and value.

Why buy Perfect Choice® furniture?

LEAD TIME

Our lead time is the best in the business. Even during our busy season, our turn around times are the quickest you will experience.

QUALITY

We use only the best quality materials and ensure every product is tested using our strict quality control standards.

DURABILITY

AlloChrome marine coated stainless steel fasteners and Weather-all® poly lumber make our product the most durable outdoor furniture on the market.

SUSTAINABILITY

Not only is our Weather-all® poly lumber made from recycled materials, but we recycle all unused poly lumber materials for a truly sustainable product.

DESIGN

Our innovative designs such as the one-piece chair backs and seats are why our products are uniquely more durable and provide enhanced stability.

LIFETIME LIMITED WARRANTY

Perfect Choice® offers a Lifetime Limited Manufacturer's Warranty on all of our Weather-all® poly lumber products.**

Outdoor Furniture Cleaners

Cleaner | OFCL
Weight: 32 oz.

Protectant | OFPR
Weight: 32 oz.

All Surface Stain Remover | OFSR
Weight: 32 oz.

Star Brite® Outdoor Collection Furniture Cleaner, Protectant or Stain Remover can all be used on your Perfect Choice Furniture.

The cleaner can be sprayed directly onto the surface to be cleaned, then use a sponge, cloth, or soft brush to spread evenly. Allow 30 seconds before lightly brushing and rinsing or wiping clean. Stubborn stains may require a repeat application that is allowed to soak in for about a minute, followed by light scrubbing or wiping clean. Biodegradable formula.

The protectant is formulated with PTEF®, a protective polymer, barrier coating. This coating adds UV protection to prevent fading and cracking as well as enhance the appearance of all outdoor furniture surfaces. Spray product onto surface to be treated, or to avoid over spray,

spray onto a soft cloth and apply to surface. Spread evenly in a circular, overlapping motion to ensure uniform coverage and wipe up excess. Use as often as needed to enhance appearance and remove light dust, dirt, salt spray, or grime. It enhances appearance of all outdoor furniture surfaces while removing light grime. UV inhibitors help prevent fading and cracking.

The stain remover begins removing tough mildew stains on contact. Spray or wipe directly onto surface to be treated, wait for stain to disappear and then rinse thoroughly with fresh water. One application will remove most mildew stains; stubborn stains may require a second application and light scrubbing. Ideal for use on outdoor furniture, outdoor fabrics, and vinyl umbrella's. Begins removing stains on contact.

Weather-all®

beats any other poly lumber on the market

pvc-free

Weather-all® has no additives, no fiberglass and no lead. It is non-allergenic and completely safe.

anti-mildew

Unlike wood and plastic composites, Weather-all® will not mold or mildew.

easy care

Simply wash and let dry. Weather-all® is completely stain-resistant.

Proudly recycled and manufactured in the USA

recyclable

Weather-all® is made from 95% recycled materials and unlike wood-plastic composite (WPC), Weather-all® is 100% recyclable.

anti-fade

Weather-all® colors resist fading by even the most extreme sun rays and harmful UV light.

stability

Heavy weight and durable, products made from Weather-all® are designed to withstand the elements and require no costly storage space.

by Backyard Nature Products

The perfect choice for lasting comfort and value.

"I just wanted to take a moment and express how pleased we are with the patio furniture we purchased from Backyard Nature Products. As amazing as the quality of the furniture is, the service is right there with it. I have never had the pleasure of working with a business that is as thorough and caring as BNP. They say they will do something, and it gets done above and beyond."
