November 2021

There is no way we can thank the team from Sunbelt Rentals enough for their work at Camp Centurion.

We also need to give thanks and kudos to Dilling Heating and Cooling of Gastonia. They have done a phenomenal job with the HVAC system and we can't thank them enough.

Both Sunbelt and Dilling provided their services because they are valuable members of the community and wanted to show their appreciation and return something to the veterans who will be living at Camp Centurion. So, we urge you to show your thanks by patronizing these fine businesses.

As always, we continue to give thanks to all our volunteers and donors. If you are a veteran, you have joined with your fellow vets in leaving no man behind. If you never served in the military, by your volunteer service and your donation, you are meeting the needs of those who served you. We ask you to please consider a year-end donation to Camp Centurion.
