

# FERTILIZER FOOD & PHARMA AUTOMATION MEET (FFP) 2019

Process Optimisation Using Smart Automation

23 NOV 2019, SATURDAY

Hotel Taj Palace , Sardar Patel Marg , New Delhi

Conferences & Exhibits

Education & Training

Standards & Certifications

# Fertilizer, Food & Pharma (FFP) Symposium 2019

*"Process Optimisation Using Smart Automation"*

Date: 23<sup>rd</sup> Nov 2019

Venue: Hotel Taj Palace, Sardar Patel Marg, New Delhi

An annual event by International Society for Automation (ISA) Delhi Section

*ISA -Setting the Standard for Automation*

## **ABOUT THE EVENT**

The Indian Process Industry segments of Fertilizer, Food and Pharmaceuticals dynamics are now having a notable impact on the national scenario and with the demand for new projects as well as modernization efforts are growing again. This second wave of growth is well-positioned to move quickly and catch the rising tide.

This Fertilizer Symposium is being conducted since last three years in succession with an aim to expand the domain to the connected industries of Food Processing and Pharmaceuticals who all want to equally receive the benefits of latest advancements in automation and instrumentation technology in the Process Plants. Hear the experts' views on the latest automation trends in Food, Pharma and Fertilizer industries in India

The event gives opportunities to explore the best practices in Batch Processing and Continuous Processing projects being managed by Indian and global leaders who are dealing with the evolving Control and Instrumentation issues. **Don't miss your opportunity to collaborate with industry visionaries and thought leaders at this new Hybrid industry event.**

## Top 5 Reasons to Attend

- **Participate** in World-class training opportunities led by Industry leaders
- **Develop** Insight from real-world examples and Industry best practices.
- **Advance** your knowledge with thought-provoking keynote Sessions.
- **Gain** a unique understanding of Automation and emerging Technologies trends by sharing information across Industries.
- **Explore** solutions to Business problems through Supplier showcase exhibits.

## Who Should Attend

<b>Management</b>	<b>Service Providers</b>
<b>IT/OT Professionals</b>	<b>Engineering Students</b>
<b>Plant Operators</b>	<b>System Design Engineers</b>
<b>Instrument Technicians</b>	<b>Project Managers</b>
<b>Maintenance Personnel</b>	<b>Supply Chain Management</b>
<b>Engineers</b>	<b>EPC Companies</b>
<b>Integrators</b>	<b>LSTK Suppliers</b>
<b>Consultants</b>	<b>All Others Related to Process Industries</b>
<b>Automation Suppliers</b>	

## Glimpses of ISA (D) Past Fertilizer Symposiums

### Notes

1. The entry to the above program is strictly by Invitation only & invitation is not transferable
2. Kindly Send a Short Email Confirmation of your participation with your name, organization, contact no and designation to [info@isadelhi.org](mailto:info@isadelhi.org)
3. For any other clarification call to Mr. Radheyshyam Tiwari (9313384543)
