Selling Top Ranch and Performance Horses

www.facebook.com/SouthwestSelectBrokeHorseSale

WELCOME!

Welcome to the Southwest Select Broke Horse Sale! We don't have a lot of horses in this year's sale, but what we do have are pretty exceptional and everyone should be able to find a horse that meets their shopping list.

We have selected horses based on quality and that folks said were honest. Please take the time to visit with the consignors and if at all possible to ride the horse prior to the sale. We want people to be pleased with their selection and that can only be achieved by doing your homework on the horses offered for sale.

The sale horse preview will be at **9 a.m. MST** (please note change in time) in the All Seasons Arena located at the fairgrounds in Bowman. **All horses in this sale will be shown under saddle** so you, the buyer, can see what they are capable of other than what you only see in the sale ring. There will be roping steers available for those that would like to showcase their horse's team roping or breakaway talent. The sale will be at 1 p.m. MST at Bowman Auction Market.

Visit www.facebook.com/SouthwestSelectBrokeHorseSale for colored pictures and videos!

We hope you like what you see and we'll see you at the sale!

SALE DAY NOTES

All buyers have the right to have a horse vet inspected and blood drawn at their own expense. Horse cannot leave grounds and must go directly to Bowman Auction Market's veterinarian by Monday, May 13, 2019.

The sale committee reserves the right to reject any horse from consignment up to sale time.

Seller's will provide a negative Coggins test.

A halter and lead rope must be supplied by seller for every horse. Horses must be returned to their original pen following the sale.

All horses will be shown under saddle at the preview. There will be two horses in the arena at a time. After every horse has shown, consignors will have the opportunity to rope steers, calves, or barrel race. This is NOT a judged viewing.

ABSOLUTELY NO alley trading is allowed. We ask that all sales go through the office for appropriate payment and transfer. Anyone caught alley trading will be banned from further sales.

Once a horse is consigned and the catalog is released, horses are bound to the sale. Buyers come a long way to bid on the horses. We have worked very hard to advertise and find buyers for all horses.

We understand that no horse is perfect. With this in mind, we ask that all consignors admit to lameness, behavioral or health issues, and level of experience to the public. We are striving to be an honest man's horse sale so everyone knows what they are getting up front.

The sale committee's guarantee of a horse will be limited to Tuesday, May 14 at noon. After that, all guarantees are between the seller and buyer. We feel you have had time to ride the horse and find any misrepresentation by then.

Horses must be settled in the office prior to leaving yards, including no sales. Checks will be held along with original paperwork until checks clear (5 days).

If you buy a registered horse, please notify us within three weeks of the sale if you don't receive your papers.

THE MIZPAW SPECIAL**2015 Sorrel Gelding**

Owners: Pat Thompson

Phone: 1-605-210-3221

Grade

The Mizpaw Special stands 14.3 hands. He is gentle around cowdogs, sorting flags, ropes, slickers, and is hobble broke. He's a good athlete with enough speed to make a good arena prospect. Rides good outside by himself or with other horses. I've started him on the barrels, drug the log and worked a gate on him. He rides around collected, moves off leg pressure and is cowy. He's 100% sound and tough as nails.

Reeds Royal Peach is a 2013 red dun mare. Don't let her size fool you, this mare is dynamite! "Peaches" is a sweet mare that is bred to devour a cow and is she ever cowy. Ranch raised and ranch proven, I have used Peaches for everything. I've taken her to the stockyards and worked a lot of sales, open and closed gates, sorted cattle, and I have even backtagged cows off of her. I've drug and tagged calves. This mare is solid. She has that foundation that will make it easy to go whatever direction you want to take her. Take her into the heeling box or breakaway on her or just take her home to ranch on. You won't be disappointed with the heart and talent that this mare has.

I bought Coffee as a weanling and broke out at two. He has seen lots of miles, long days, is gentle and broke and stays that way. Calved on him for the first time last spring in single digit weather and 18" of snow pulling the sled, fighting cows to the barn that didn't want to go and tagging calves off the horn. He's one of the best I've ever used for this. Coffee has held and laid cows down for footrot, roped lots of calves and pushed cattle up the alley. Open/shut every gate on the ranch and never get off. I do recommend him for experienced riders, as he is an "alpha" horse and does have a big motor-he's bred that way. I think he would make a tremendous barrel prospect. No buck, works off his haunches and is real "feely". Feel free to contact me any time.

Blue Duck is a 10 year old well broke ranch gelding. We have owned him since he was three. He has been used in all areas of ranch work-calving, sorting, pasture roping, and dragging calves at branding. Extensively used in the arena for heeling and ranch rodeos- we have done our fair share of winning on him. He has been ridden in big country, tough as nails and won't quit ya. No buck, no spook, stays broke, 100% sound. 15 HH, 1125#. You are welcome to come to the ranch and try him.

We bought "Junior" as a baby colt. My father-in-law kept him in Stanley, ND until last November. He became really gentle and was easy to start. He has 45 days of riding before April 1st. Since then, he has been used for calving. A nice horse, bred right, with a good start on him.

PHOENIX**2011 Roan/White Gelding**

Owners: Bobbe McMillan

Phone: 406-491-0724

Grade

Phoenix has no idea he's only 14.1 hands. He's out of a Welch mare and an APHA stud and rides just like a big horse. He's my go to ranch "horse". He's been to sale yards, feedlots, ranches, rodeos and everywhere in between. I've used him at brandings, ranch rodeos and to run horses. At rodeos, he knows the barrels and has been heeled on quite a bit and started in breakaway. Drug bulls out of the arena and pasture doctored everything from calves to bulls and he'll out pull most of my big horses. Call or text for more information.

Erickson's Express is gentle and easy going. He is a big stopper with a good turn around. He has a smooth lope and has plenty of speed. Drug the log, patterned on the barrels, work a gate, etc. Sorting flag, slicker, rope, and hobble broke. Rides collected, cowy, and is tough enough to take a full days riding, 100% sound. This gelding is a 3/4 brother to the sorrel I have in the sale (Lot 1).

Very nice young mare I've owned since a foal. I bought her in the Lazy JS Ranch sale from Carter Acres. Never followed up on papers, but she was a papered colt. I broke her myself. She has been used at Bowman Auction Market and has been to a lot of brandings, works gates well and has drug hundreds of calves to the fire. Not broncy in any way and 100% sound. Probably not for a beginner as she is real athletic and quick, but is gentle. Nice all around young mare.

Squirt has participated in numerous big ranch rodeos and carried flags in parades. She is also a branding pen and ranch horse deluxe having done it all. We bought Chief last year in this sale. Our five year old boy, Retro, needed a horse to ride. He was shown in the heeling. Retro used him on the ranch all summer. We hauled him to a few play days to give his old horse a break. Chief was good for our kids. He is a little cold to saddle, but leads out of it. He is not 100%, but we just bute him for the long days and kept shoes on him. He was an excellet step up horse for Retro but isn't needed anymore.
