

SEPTEMBER PRAYER CALENDAR

Woman's Missionary Union's main focus has always been and still continues to be disciples who make disciples. Mary Hill Davis provided the model. As president of WMU of Texas, Mary created organizations to teach women about mission work which led to the organization of Royal Ambassadors in 1908 and Girl's Auxiliary in 1913. These organizations continue to disciple young boys and girls through missions stories and Bible stories. Children hear about missionaries all over the world and learn to be missionaries in their own community.

Mary realized the mission field had many challenges. She saw the opportunity to alleviate some of those challenges by encouraging churches to pray and give. By helping provide financial stability for missionaries on the field, she was supporting the work of missions worldwide. She also encouraged support for pastors and retired pastors both spiritually and financially by praying for them and giving to them.

Mary saw the need to support both missions internationally and in her own state. Because of her commitment, the state missions offering became her namesake in 1935. Today, her legacy continues as the Mary Hill Davis Offering® for Texas Missions supports 80 programs and ministries across the state.

This month, please take the time to pray daily the ministries that request and receive allocated funds from the Mary Hill Davis Offering.

The Bible tells us that fellowship with one another is important for our faith. During these days, as people have experienced isolation, the lies of Satan may be doing damage to both non-believers and believers. The **Chaplain, Pastor, and Staff Training Event** provides training that helps see the needs of those around them, whether friend, church member, community member, or coworker.
