Items of Special Interest to Our Members

- The **Rotary Leadership Institute (RLI)** program consists of three separate sessions, Part I, Part II, and Part III. Attendees progress through the three parts on separate days and complete the program at their own pace. All three Parts will be offered in Richmond Oct 27, 2018 from 8:30 AM—12:00 AM. The sessions are led by Rotary leaders who have been trained in the facilitation techniques that maximize the learning experience. Go to www.rli33.org for details and registration.
- Scott Chandler tells us that **our next service project** to construct an access ramp to the deck of the Watermen's Museum Carriage House will get underway this month! Scott will be assisting a group of Boy Scouts who on the weekend of October 20-21 will be constructing a new platform for the existing tent and then rotating the tent to provide room for the ramp. We will then demolish the existing elevator, cart the debris to the landfill, then construct the ramp with the help of a certified contractor to assure we comply with all codes. Standby for details!

Attendance July 63%, August 65%, September 61%; past 3 month average 63%

God Bless America!
