**Please remember the following:**

You are representing Eldorado High School. You will act appropriately at ALL times! NOTHING NEGATIVE WILL EVER BE SAID ABOUT OTHER SCHOOLS!!! (Parents, please remember as well that it takes one negative comment to destroy our reputation.) All students are out there doing the same thing and it is the opinion of the adjudicators of where we place in the results. Students know that all they can do is their best! Be humble and congratulate others around you.

Students will follow instructions of all directors, staff members, and parent chaperones. If there is a behavior issue, the student's parent will be called to come and pick up their child. The student will receive a zero for the performance and face further consequences when we return to school the next week.

Stay in full uniform at all times unless instructed otherwise.

Do not do anything to jeopardize your ability to perform in the days/weeks prior to performances! (any discipline issues in or out of school, poor choices in your free time, academic issues, etc.)

Get plenty of rest the night before, drink lots of water, eat good/healthy food so you can feel your best when you perform. EAT BREAKFAST!!!
