# Dessert Tastings

Private Tastings can be scheduled Tuesday - Friday at your convenience for \$50 per couple. \$25 of this cost is applied to the final cost if you contract us to make your wedding desserts.

Group Wedding Dessert Tastings are also available on a Sunday afternoon when we have one scheduled. This cost is \$50 per couple or \$30 per person. The entire \$50 tasting fee is applied to the final cost if you contract us to make your wedding desserts provided the wedding desserts cost a minimum of \$200. Both tastings are by reservation only.

With both tasting options, you get to pick the flavors that you want to taste. With the group tasting, you get to taste your choices and everyone else's picks. This includes pies, cakes, cookies, and handmade chocolates. Weddings are not just for cakes anymore.

Please visit our facebook page for the next scheduled group dessert tasting. If you would like to suggest a date, please give us a call or send an email. You can find photos from some of our previous weddings on our facebook page. Don't forget to like us while you're there. Contact info is on the front page of this brochure.

# Wedding Pies & Cakes

## wedding Pies

Seems simple enough, right? There are so many options and I'll be happy to tell you about all the different ways to present pies at a wedding. Just to name a few, foil pans or glass pans, regular top crust or lattice crust, spread out on a buffet or tiered on cake stands. There are big pies, individual pies, pies in jars, traditional and cobblers. I've done a lot of pie weddings in the last few years, and no two look alike. Some of the pies may be the same flavor, but presentation changes everything and makes it unique to your personality.

Our Pie Brochure is included at the end of this for flavor choices. And, just because you may not find a flavor listed, doesn't mean I won't do it. If I can find the ingredients, I can make it. We also offer Gluten Free options and Vegan options.

## wedding Cakes

Our cakes are made fresh and from scratch. Take a look at our Cake Brochure, available on our website. Of course, you are not limited to the flavors on the brochure. We are always testing and adding new flavors. Most Wedding Cakes start at \$1000.

## wedding Cookies & Pastries

Hand Painted Butter Cookies shaped and decorated like wedding cakes or other wedding designs.

Petit Fours - Vanilla or chocolate cake with filling and top design.

There are pie people and there are cake people, some people are cookie people, and some people are dessert people! Those are the people who are so creative that they have cake, pie, and cookies for their wedding.
