To all of our dedicated volunteers!

2024 Young Woman Emily Blyton

The youngest of three children I grew up on my parents, Richard and Elizabeth's sheep and cattle property. I attended Nimmitabel Public School and then upon completion of my high schooling at Monaro High School, commenced a traineeship with Boyce Chartered Accountants in Cooma.

From a young age, I have loved helping on the farm, mustering sheep, assisting in the yards, rousabouting at shearing time and in drought years, feeding sheep. This upbringing developed my love for agriculture and led to me studying a Bachelor of Agricultural Science (Honours) at Charles Sturt University in Wagga Wagga. Throughout this time, the opportunity to be mentored by other strong women within agriculture has shaped my experiences and is something I hope to do for others in the future. I now reside in Wagga Wagga where I work in agricultural research, however, in the long term I hope to return home to Nimmitabel and continue the family farming business.

From submitting exhibits in baking and sewing when I was young, to competing in the Young Judging and helping in the wool section, the Nimmitabel show has always been a memorable day that I look forward to each year. Coming from a family which has been, and still is, heavily involved with the show society, I have a great appreciation for all the work involved in organising the show and am grateful for the opportunity to represent Nimmitabel as their 2024 Young Woman.

An exhibit having won at a Show will compete at a Group Final.

An exhibit is only eligible to represent one Society at Group level and one Group at State level
If, for any reason, a winner is unable to compete at Group level then the second placegetter is eligible to compete.

All work to have been completed in the last 18 months prior to its entry at a local show.

An exhibit that has previously competed at Group level is not eligible to compete again.

If this class is not scheduled or attracts no entries at a local show, the Chief Pavilion Steward
In consultation with the appropriate Pavilion Section Judges, may select a suitable quilt and,
with the exhibitor's permission, enter them in the Group judging as an exhibit representing the
particular Society concerned.

Group Final location and date is to be determined by the Group. It is the responsibility of
either the exhibitor or the Show Society to ensure the quilt is delivered on Judging Day and
collected in an appropriate time frame after the competition.

WOOL ARTICLE/GARMENT STATE CLASS: 3 DIFFERENT TYPES OF WOOL ARTICLES AND/OR GARMENTS COMPETITION

For the purpose of this competition the following definitions apply: Garment: an item that can be worn
e.g. dress, jacket, scarf, hat.

Article: a utility item that is not worn but can be used in the home e.g. blanket; with an outfit eg. bag; for
amusement eg. toy; as a decoration eg. picture etc. Three Different Types: the 3 items in an entry must
differ from each other in terms of their construction technique and/or their purpose eg.1 a knitted jumper,
blanket and tea cosy OR eg.2 a knitted tea cosy, a crocheted tea cosy or a felted tea cosy OR eg.3 a knitted
jumper, a knitted blanket and a crocheted blanket.

The whole article and/or garment must be constructed of, and contain a minimum of, 80% wool.

Exhibits (articles/garments) may be knitted, crocheted, sewn, felted etc and must be hand crafted (use of
machine is permitted).

A sample of the yarn, fabric or fibre with label must be attached to each item making up the exhibit. If a
label is not available such as in the case of a hand spun or felted item,
a handwritten label with relevant details and sample will suffice."

An exhibit in this competition may consist of the work of one individual or a group of individuals, or an or-
ganization.

All three article/garments must have been completed within the 12 months prior to the local show and
made by the exhibitor/s.

An exhibit having won at a local show may be exhibited (the same three article/garments) at Group Final.
The winning exhibit at the Group Final is then eligible to compete in the State Final.

An exhibit is only eligible to represent one Society at Group level and one Group at State level An exhibit
(article/garment) that has previously competed at Group level is not eligible to compete again.
