## On behalf of our staff and volunteers... Welcome to Prairie Meadow Place!

Prairie Meadow Place began operations in 1944 as The Rosenort Home for the Aged. We are a home for senior clients needing assistance for independent living. The Home serves our elderly resident's physical, spiritual and emotional needs and assists them to attain their fullest potential for quality of life. We are located within the Town of Rosthern, Saskatchewan with easy access to all the amenities in town.

We strive to create an environment that supports each resident's right to dignity, self-esteem and independence. Our center offers 32 residential units, 24 single rooms and 6 double suites. Clients are provided with 3 meals a day and snacks as desired, as well as housekeeping services, bathing facilities, fitness program, bible study, entertainment, mail pick up, medication pick up, and many other services as needed.

This facility is committed to providing care and services in a manner that respects and supports residents, families, staff, volunteers and community stakeholders. Our goal is to enrich the lives of the people we provide care for. We respect individual feelings, needs and wishes, and provide compassionate care to residents and their families. We support and act in the best interests of our residents to ensure that decisions related to the provision of care and services are sensitive to their moral and cultural needs.

Our facility is operated on a non-profit basis and is dependent on community donations to supplement financial support. The facility is governed by a Board of Directors who is responsible for governing and supporting the Administrator and staff of Prairie Meadow Place.

Tenants are encouraged to participate fully in making decisions concerning their care but in certain situations a Power of Attorney or Guardianship may exist. It is the responsibility of the applicant to ensure that Prairie Meadow Place has copies of all relevant documentation. Please note that a tenant may be capable of making a decision with respect to care but not finances or vice versa.

## **Hospitalization**

When a tenant requires medical care in an emergency situation Prairie Meadow Place will call an ambulance and the tenant will be responsible for any charges. All other medical concerns and decisions will be referred to the family or emergency contact on file with Prairie Meadow Place.

## **Confidentiality**

All records, reports and information concerning the tenants of Prairie Meadow Place are treated with the utmost confidentiality. Intimate facts about tenants will not be disclosed or discussed by staff except during meetings where the information will have a direct effect on tenant health and care.

## **Visitation**

Frequent visitation is encouraged to promote the well-being of our tenants. While there are no restrictions in visiting hours, we encourage visits to occur within reasonable hours out of respect to other tenants. Visitors are asked to be sensitive to other tenant's personal space and feelings. When bringing children for visitation please keep in mind that this is the home of many other tenants and also the hazards that wheelchairs and walkers pose to children running around. In order to minimize health outbreaks visitors should refrain from visiting if they experience signs of illness.

## **Influenza or Viral Illnesses**

In healthy individuals viral illnesses may cause discomfort and minor ailments, however, in the elderly and people with chronic lung or heart disease these can be serious illnesses and may become life-threatening. Prairie Meadow Place will limit contact from individuals with viral illnesses and will take steps to quarantine Prairie Meadow Place should an outbreak occur.

## **Environment**

Prairie Meadow Place is committed to providing an environment that is healthy, safe and caring for residents, staff, volunteers and visitors. To foster this, disrespectful behavior will not be tolerated. This includes: written or verbal comments and behaviour that is rude, offensive or degrading; jokes that are demeaning, insulting or embarrassing; bullying or shouting; attempts to discredit someone by spreading false information. We support a zero tolerance policy towards abuse and neglect and will not tolerate any abuse or neglect of any tenant, visitor, volunteer or staff.

Prairie Meadow Place has a legal obligation to provide a safe resident and staff working environment and will take any necessary action to support this. All staff, volunteers, tenants, visitors and other service providers are required to treat each other with respect, dignity, honesty and courtesy. Any concerns should be addressed with the Administrator immediately.

Should a tenant be in contravention of this policy they will face disciplinary action which may include eviction. Eviction will be a last resort but in the event that a tenant is evicted from Prairie Meadow Place as a result of their actions there will not be a refund of rental fees paid.

### **Monthly Fees**

The monthly fee for rent and services is due by the 1<sup>st</sup> day of each month. Should a tenant move in after the 15<sup>th</sup> of the month their rent will be prorated based on their move-in date for the first month of residency. As we are a non-profit operation we rely on prompt payment of tenant fees in order to meet monthly operating costs. Should a tenant vacate their room at Prairie Meadow Place during a month there will not be a refund of rental fees paid unless the room is re-rented within the same month.

As of March 1, 2019, rates for tenancy at Prairie Meadow Place will be:

Single rooms	\$1,550
Single rooms/double occupancy	\$2,260
Double suites	\$2,575

Annual rent and service fee increases may apply at the discretion of Prairie Meadow Place thereafter.

Prairie Meadow Place is set up with the option to have automatic monthly withdrawals from tenant bank accounts for their monthly fees. If desired tenants can instead provide post-dated cheques, dated for the first of the month. At the first of each month the tenant will receive a receipt for the monthly payment.

There will be a \$30 service charge for any NSF payments. An interest rate of 1% per month will apply on amounts outstanding after the 7<sup>th</sup> day of the month.

### **Building Safety/Maintenance**

Any safety hazards should be reported to a staff member immediately. Exit doors are alarmed and these doors are locked at night. Residents are asked to sign in and out when they leave the building to aid in maintaining the safety of residents. All electrical, plumbing, heating and other maintenance issues that occur should be reported to a staff member as soon as possible in order to minimize damages and ensure safety of residents.

### **Fire Safety**

Sensors are connected to the local fire department and, in the event of an alarm, fire trucks will respond immediately. Every tenant should be aware of fire procedures. Tenants will be expected to exit the building as quickly as possible but the fire department is aware that some tenants have mobility issues and will enter the building and assist as quickly as they are able. Due to fire regulations tenants may be restricted in the use of some items in their rooms, and will not be allowed to have boxes cluttering their room or under beds. Tenants are not permitted to have open flames such as lighted candles in their room. Smoking is not permitted anywhere in the building.

## **Tenant Rooms**

Tenants are responsible for providing furnishings for their rooms. Furniture should be in good condition. Staff has the right to refuse any furnishings or possessions that pose a risk of infestation or a safety, cleaning or health concern. Each tenant has the right to arrange their furniture within their room to suit their personal preferences provided that furnishings are arranged to prevent safety hazards and to allow staff proper access to provide cleaning and care and not impede exit from the room in the event of emergencies.

Tenants should take care to ensure that the room is kept in a reasonable state so that undue time, effort or cost is not required in restoring the room to a normal appearance for the next tenant.

Decorating with wallpaper, decorative borders and painting of walls is not permitted. Tenants are encouraged to hang artwork and craft projects in their rooms to promote a more enjoyable environment for themselves. However it should be noted that individual tastes vary and therefore tenants will not be able to hang artwork or craft projects in the hallways or common areas of Prairie Meadow Place.

Tenants will be provided with a limited amount of Command Hooks for hanging of pictures and other personal items. Should more hooks be required this will be at the tenant's expense.

## **Tenant Belongings**

Prairie Meadow Place is not responsible for lost and/or damaged personal property of tenants. Personal items should be labelled. The insurance of Prairie Meadow Place does not include coverage for any resident belongings. It is strongly recommended that items of value or large sums of cash not be kept in tenant rooms. Tenant insurance should be purchased by the tenant if desired.

Some items could potentially pose a safety hazard if used incorrectly or neglected and therefore may be removed from tenant rooms at the discretion of the administrator. This includes items such as: area rugs, electric blankets or heating pads, portable heaters, microwave ovens, refrigerators, and small electrical appliances such as kettles, coffee makers, irons, toasters, hair dryers or curling irons.

## **Bed Bug Policy**

Prairie Meadow Place works closely with Public Health officials to prevent bed bug problems and related infestations. Preventative measures will be in place to ensure that Prairie Meadow Place remains free of infestation. These measures dictate that the Administrator or designated official will have full discretion of allowing any used furniture, possessions and clothing to be brought into the facility. Prior to bringing in any items the tenant will require permission from the Administrator. In the case of a severe outbreak tenant belongings, at the discretion of the Administrator, may be removed permanently from the building.
