***Add'l Container Rate:** Where containers are located in the same enclosure, or are adjacent to each other at the same collection address. Containers in separate collection areas will be subject to the full rate.

Compacted Material: Containers with compacted materials (manually or mechanically) will be charged at 2.25 times the above loose rate. Compacted containers may not be larger than 4 cubic yards. Weight restrictions apply.

Placement: Container placement will be determined by Hillsboro Garbage Disposal. Containers must be placed on a smooth, solid, level surface. Containers must be accessible at all times. Containers 3 yards and larger will be placed in a manner that allows truck to back up to, connect & dump. They cannot be moved manually.

Saturday Service: Available to customers subscribing to six (6) times per week service.
