Feeding Instructions _____

Medication _____

Please Describe any medical or physical problems, including allergies and/or food allergies: _____

Important Information (temperament, special requirements, etc.) _____

Authorization

Initials _____ Owners are welcome to bring their own blankets or toys if desired, however we cannot guarantee that they will be returned in the same condition or at all. We provide bedding; therefore, we ask that you please leave those at home unless you feel it is critical to your dog's stay. As stated above, we can't guarantee that any item goes home in the same condition or at all.

Initials _____ Owner is aware that by leaving pet at Coldstream Countryside Kennels, or any other pet facility, they are at a higher risk of contracting canine cough (kennel cough), viruses, or acquiring nicks, cuts and possibly punctures from interacting with other dogs. Canine cough (kennel cough) is similar to the flu in humans and, while all dogs in our care are vaccinated, no vaccination is 100% effective. We maintain a very high level of cleanliness but interaction with other dogs carries with its inherent risks.

Initials _____ All dogs must be healthy, and current on all vaccinations. You will be required to bring a copy of your dog's updated vaccination records from your vet before you start daycare or board with us to ensure your dog's safety as well as that of our other guests. In specific, the Bordetella vaccine must have been given at least 10 days prior to any boarding/daycare stay with us if it is done via needle. If it was done through the nose, 3 days must be given.

Emergency Medical Care

If, in our judgment, your dog requires immediate medical care and we are unable to reach you, we will take your dog to a veterinarian or animal hospital.

By signing below, you confirm that the above is correct to the best of your knowledge, and that you will provide further information upon future visits.
