

Starling Elementary

SUMMER Book Club

for Rising Kindergarteners

Starling Elementary has created a Summer Book Club to help students and parents explore exciting new stories. These books were chosen by Starling teachers. We would like to encourage parents to read these books with their children.

The best way build a young reader is to read to them frequently. On registration day, in August, kindergarten teachers will ask students if they participated in the Summer Book Club. Students participating in the Summer Book Club will receive a symbol and on that symbol they will write their name. Symbols will be hung in the front hall of the school by grade level. The grade level that reads the most this summer will earn not only bragging rights, but also a special surprise!

The Gwinnett County Public Library has a FREE summer reading program. Readers of all ages can set a goal, keep track of their reading activities, and collect great prizes. Look for special incentives and programs to keep the excitement going all summer long! Stop by any branch to pick up a registration packet with a reading record log, sticker, and bookmark or visit their website.
