

Lacie is an eight month old dachshund/chihuahua puppy. She is slow to warm up and trust, but once she does, she will love you forever. Lacie is a smart, funny lovebug once she warms up to you.

She is very sweet and loves to play with toys. Lacie does not like to be contained in any way and gets very stressed when she is. Her foster parents use a play yard with her bed in it so she is safe but not quite as closed in. She is slowly adjusting to this arrangement, but still has accidents in her pen at night due to her stress. She is potty trained by day. Lacie LOVES to be outside and lay in the sun with all her toys around her. She does well with dogs and children and is okay with cats, though she may chase them. She walks well on a leash and uses the doggie door. Foster mom reports seeing a "Queen Bee" streak in Lacie and feels she would do best in a home with a yard and a family that will let her be the Queen Bee. Lacie is a sweet little girl who needs a little extra patience and love.
